### Minimum Term

Your mobile service will be on a casual month by month option. If you disconnect your mobile plan or port your service away from DVC Telco there is no prorate for your plan and no credit will apply for remaining days in the bill cycle. If you port your number away from DVC Telco, the total amount owing will be the cost of any usage incurred up until the time of cancellation plus the minimum monthly charge. At times we may increase the plans or change plan inclusions, this will be from our Telstra Wholesale service provider. We will provide updates as soon as possible and advise the plans changes and cost to you.

### What's included

These plans are for use in Australia. With your monthly plan allowance, you can make unlimited standard national calls to fixed and mobile numbers, including unlimited standard SMS and photo MMS, voicemail retrieval, and calls to 1800 and 13 - 1300\* numbers

### **Offer Limitations**

Your unlimited included value cannot be used for video MMS. MMS Video (National) and MMS (International) are charged at PAYG rates. Your unlimited included value cannot be used for making calls and sending SMS / MMS to International numbers unless it is part of your plan inclusions. Calls and SMS/MMS to premium numbers (e.g., 19xx numbers), Sensis calls or other content charges (including third party charges) are barred. Telstra Retail numbers 132000, 132203, 132674, 132999 are charged as excess usage. Calls to Satellite numbers, calls to 1234, 12455 and 12456 or content charges (including third party charges). It does not include usage when roaming overseas, among other assistance and special numbers. These will incur excess usage charges to your monthly bill and are charged at the standard PAYG rates

### **Usage and Data**

You will receive email notifications when you use 50%, 85% and 100% of your data allowance. These email notifications are only a guide and can be up to 48 hours behind real time usage. You will get an email each time a 10GB data top-up is added. Unused data expires each month and cannot be carried forward or used while roaming overseas. Contact the DVC Telco support team if you have any questions on your usage.

### **Data Banking Rules**

The maximum amount of unused data that can be stored in a bank is 500GB. Any Data accrued over 500GB will be forfeited. Data Bank Data will only be used once you have exceeded your monthly Data allowance. Data banking is for stand-alone services on a single phone number/SIM. Note- DVC MBB Streaming 400GB plan does not provide Data Banking

### **Excess Usage Limit**

All services under a shared data account will have an excess usage limit of \$500 for the entire account regardless of the amount of services. To lift barring on the account you must contact DVC Telco or do so via the Customer Portal (if you have access)

### **Overseas Usage**

Your monthly included call and data value do not include usage while you are overseas, so you will be charged separately for this usage. International Roaming Bolt Ons are automatically applied to be used overseas, the Roaming Bolt Ons commence from the day they are applied to your service. Roaming is not available in all the countries. Please refer to the International Roaming Travel Pack Information for more information. All services have international calling activated by default, for services needing international barring you must contact DVC Telco or do so via the Customer Portal (if you have access).

### **Billing / Billing Cycle**

Charges and inclusions are metered from the 28th to the 27th of each month. Your first bill may look a little unusual or higher than expected for the first month. Telecommunication service providers charge 'in advance'. Your subsequent account from us will revert to the regular monthly charge. Plan upgrade/downgrade are not prorated.

New plan rate will apply in full on the day of the change, unless made on 27th of the month. If you cancel your plan or transfer your number to a new provider, you will not receive credits for any unused days remaining in your current billing period.

### **Payments**

Invoices are issued on the 1<sup>st</sup> day of each month with the bill due date is the 15th of each month. Direct Debit via bank account no additional charge. Payments made with a Credit Card will incur a payment processing fee. A late payment fee of \$15 will be applied if bill due date is missed. Should payment dates be missed or payment unsuccessful, and your account remains outstanding by the 27th of the month your service (12 days past the due by date) your mobile service/s may be restricted, and your standard monthly recurring charges will still apply. If you are experiencing difficulties making payment, please contact us so we can discuss a suitable payment plan with you. If you do not contact DVC Telco and your account remains 40 days in arrears, your service will be disconnected. You may change the nominated Direct Debit date by contacting our Business Services Team on 1300 655 985 or [support@dvctelco.com.au](mailto:support@dvctelco.com.au)

### **Coverage (Restrictions and Qualifications)**
